Re: *Careful Shopper, LLC v. TP-Link USA Corp., et al.*,  
Docket No. 1:18-cv-03019-RJD-RML

Dear Judge Dearie:

Undersigned counsel represent Plaintiff in the above-captioned litigation and submit this letter pursuant to directives contained in the Court's Minute Entry of September 21, 2018, and subsequent Order of September 26, 2018. A pre-motion conference was conducted telephonically on September 12, 2018, at which time Your Honor authorized Defendants to file their motion to dismiss the Amended Complaint, subject only to the Parties' exploration of potential settlement. The Court also authorized the parties to serve discovery limited to the jurisdictional issues raised by Defendants in their pre-motion letter. The parties have not resolved this matter and must proceed with motion practice. Both parties have served discovery demands.

The parties have conferred and have not yet agreed upon a briefing schedule. We anticipate contacting Ms. Mulqueen next week for assignment of a briefing schedule and a motion return date, as we recall that having been informed that she will be away until early October.

Respectfully submitted,
